

Goodview Avenue Water Main Extension

Project Update

9/9/22

Project Recap 9/6 to 9/9

- The water main on Goodview Bay has been installed
 - This completes the water main installation phase for the project
- The contractor has begun installing individual water services to properties on Goodview Avenue
 - Each property on the project will receive a water service to the property line
- The remaining road surface on Goodview Ct has been removed and has been replaced with new aggregate base in preparation for the new street surface to be installed at a future date

Proposed Work Schedule for 9/12 to 9/16

- Individual water services will continue to be installed on Goodview Avenue and Goodview Bay
- Restoration crews are placing new topsoil in disturbed areas which will be seeded once utility construction has been completed
